

May 31, 1935

Mr. Sam Snyder,  
R.F.D. No. 1,  
Roosevelt, Utah.

RE: DRY GULCH IRR. CO.

Dear Sir:

I have your letter of the 28th instant in acknowledgment of a letter from this office of May 24.

You have asked for a list of the filings on the west fork of Montez creek which is enclosed herewith.

As to a commissioner, there is none contemplated nor will one be appointed except upon the request of a majority of the water users, and if such request were made, a commissioner could only be appointed if the expense were to be paid by the water users.

Yours very truly,

T. H. Humpherys,  
STATE ENGINEER.
